5 Interscholastic Activities

6
7 The District recognizes the value of a program of interscholastic activities as an integral part of
8 the total school experience. The program of interscholastic activities will include all activities
9 relating to competitive sport or intellectual contests, games or events, or exhibitions involving
10 individual students or teams of students of this District, when such events occur between schools
11 outside this District.

12
13 All facilities and equipment utilized in the interscholastic activity program, whether or not the
14 property of the District, will be inspected on a regular basis. Participants will be issued
15 equipment which has been properly maintained and fitted.

16
17 An activity coach must be properly trained and qualified for an assignment as described in the
18 coach's job description. A syllabus which outlines the skills, techniques, and safety measures
19 associated with a coaching assignment will be distributed to each coach. All personnel coaching
20 intramural or interscholastic activities will hold a current valid First Aid Certificate.

21
22 The Board recognizes that certain risks are associated with participation in interscholastic
23 activities. While the District will strive to prevent injuries and accidents to students, each parent
24 or guardian will be required to sign an "assumption of risk" statement indicating that the parents
25 assume all risks for injuries resulting from such participation. Each participant will be required
26 to furnish evidence of physical fitness prior to becoming a member of an interscholastic team. A
27 participant will be free of injury and will have fully recovered from illness before participating in
28 any event.

29
30 Coaches and/or trainers may not issue medicine of any type to students. This provision does not
31 preclude the coach and/or trainer from using approved first aid items.
