The District will permit a student to enroll in an approved correspondence course from a school approved by the National University Extension Association or the Distance Education Accrediting Commission, in order that such student may include a greater variety of learning experiences within the student's educational program.

Credit for correspondence courses may be granted, provided the following requirements are met:

1. Prior permission has been granted by the principal;
2. The program fits the education plan submitted by the regularly enrolled student;
3. Credit is granted for the following approved schools:
 - a. Schools approved by the National University Extension Association or through one of the schools approved by the Distance Education Accrediting Commission;
 - b. Community colleges, vocational-technical institutes, four-(4)-year colleges and universities and state-approved private schools in the state of Montana; and
 - c. Other schools or institutions which are approved by the District after evaluation for a particular course offering.

The District shall not be obligated to pay for a student's correspondence courses.

The District will accept up to two (2) credits of correspondence coursework. No correspondence courses are allowed that serve to supplant required coursework at Charlo High School. Correspondence coursework cannot be used to allow a student to graduate early from high school.
