5 Grading and Progress Reports

6

7 The Board believes cooperation of school and home is a vital ingredient in the growth and  
8 education of students and recognizes its responsibility to keep parents informed of student  
9 welfare and progress in school.

10

11 The issuance of grades and progress reports on a regular basis serves as a basis for continuous  
12 evaluation of student performance and for determining changes that should be made to effect  
13 improvement. These reports will be designed to provide information helpful to the students,  
14 teachers, counselors, and parents.

15

16 The Board directs the Superintendent to establish a system of reporting student progress and will  
17 require all staff to comply with such a system as part of their teaching responsibility. Staff and
