5 Student Health/Physical Screenings/Examinations

6
7 The Board may arrange each year for health services to be provided to all students. Such
8 services may include but not be limited to:

- 9
10 1. Development of procedures at each building for isolation and temporary care of students
11 who become ill during the school day;
12
13 2. Consulting services of a qualified specialist for staff, students, and parents;
14
15 3. Vision and hearing screening;
16
17 4. Scoliosis screening;
18
19 5. Immunization as provided by the Department of Public Health and Human Services.
20

21 Parents/guardians will receive written notice of any screening result which indicates a condition
22 that might interfere or tend to interfere with a student's progress.
23

24 Students who wish to participate in certain extracurricular activities may be required to submit to
25 a physical examination to verify their ability to participate in the activity.
26

27 Students participating in activities governed by the Montana High School Association will be
28 required to follow the rules of that organization, as well as other applicable District policies,
29 rules, and regulations.
30

31 All parents will be notified of requirements of the District's policy on physical examinations and
32 screening of students, at least annually at the beginning of the school year and within a
33 reasonable period of time after any substantive change in the policy.
