7 Student possession and use of cellular phones, pagers, and other electronic signaling devices on
8 school grounds, at school-sponsored activities, and while under the supervision and control of
9 school district employees is a privilege which will be permitted only under the circumstances
10 described herein. At no time will any student operate a cell phone or other electronic device with
11 video capabilities in a locker room, bathroom, or other location where such operation may
12 violate the privacy right of another person.

13
14 Students may use cellular phones, pagers, and other electronic signaling devices on campus
15 during lunch, before school begins and after school ends. These devices must be kept out of
16 sight and turned off during the instructional day. Unauthorized use of such devices disrupts the
17 instructional program and distracts from the learning environment. Therefore, referrals will be
18 made to the administration for problems that arise due to cell phone or pager use. Disciplinary
19 action will follow the step discipline plan.
